

*What a great idea!*

# LAB CONCEPT the new fashion destination in Admiralty, Hong Kong

A new attitude with Ultra Slim **LumiSheet**

People ignore design that ignores people. That's why our products appeal to people. Unique, simple, original & timeless are our selection criteria.

LumiSheet™ is the world's first unified lighting sheet which contains LED in itself as a source of light, unlike the traditional BLU(Back Light Unit) which is made by putting a lamp on the outside of acrylic.
